AN EQUAL OPPORTUNITY EMPLOYER

Environmental Construction, Inc.

Project: West Coast Basin Barrier Project Unit 13

Project Number: FCC0001322

Project Location: Los Angeles, CA

Bid Date and Time: September 29, 2020 at 11:00 A.M.

Respond By: September 28, 2020 at 11:00 A.M.

ADDITIONAL INFORMATION:

Environmental Construction, Inc. ("ECI") seeks Community Business Enterprise ("CBE") subcontractors and suppliers for the Los Angeles County Public Works "West Coast Basin Barrier Project Unit 13" Project (Project No. FCC0001322), bidding on September 29, 2020 at 11:00 AM.

This is a state prevailing wage project in the Cities of Hermosa Beach and Manhattan Beach with an estimated cost of \$9,000,000 to \$13,500,000.

The project involves drilling, casing, gravel packing, grouting, and developing single cased injection and observation wells. The work will also involve installing vaults for the wells and appurtenances to the wells and vaults, and connecting the wells to existing telemetry and water conduits. ECI seeks proposals for any and all items of work. Please send proposals by September 28, 2020 at 11:00AM to estimating@environcon.com or fax 818-805-3558.

The bidding documents for this project can be downloaded for free at the Los Angeles Public Works Business Opportunities website, <http://pw.lacounty.gov/general/contracts/opportunities>. Alternatively, please email estimating@environcon.com or call 818-449-8920 and we will provide them to you.

ECI will provide you with information about the Plans, Specifications, and requirements for any selected subcontracting or material supply work. In addition, ECI will help you obtain required bonds, lines of credit, or insurance. Please call or email and tell us how we can help.

Environmental Construction, Inc.

21550 Oxnard St., Suite #1060
Woodland Hills, California 91367

AN EQUAL OPPORTUNITY EMPLOYER

Environmental Construction, Inc.

Project: Replacement of 7.5 MG Reservoir and Water Improvements

Project Number: 9128

Project Location: Upland, California

Bid Date and Time: October 22, 2020 at 2:00 P.M.

Respond By: October 21, 2020

ADDITIONAL INFORMATION:

Environmental Construction, Inc. ("ECI") seeks Disadvantaged Business Enterprise ("DBE") subcontractors and suppliers for the City of Upland "Replacement of 7.5 MG Reservoir and Water Improvements (Project No. 9128)" Project, bidding on October 22, 2020 at 2:00 PM.

This is a federal, Davis-Bacon Act prevailing wage project in the City of Upland, California with an estimated cost of \$12,500,000.

The project involves construction of new reservoir to current standards; site improvements including excavation, grading and paving; construction of an impoundment area; construction of new pipelines and piping relocations; and construction of landscaping improvements. The project also includes other water improvements, demolition and reconstruction of pump station, earthwork, drainage, fencing, temporary facilities, street improvements, installation of security, power and communication systems, and landscaping. Please send proposals by October 21, 2020 at 11:00 AM to estimating@environcon.com or fax 818-805-3558.

The bidding documents for this project can be downloaded for free at <https://www.uplandca.gov/projects-bidding>. Alternatively, please email estimating@environcon.com or call 818-449-8920 and we will provide them to you.

ECI will provide you with information about the Plans, Specifications, and requirements for any selected subcontracting or material supply work. In addition, ECI will help you obtain required bonds, lines of credit, or insurance. Please call or email and tell us how we can help.

Environmental Construction, Inc.

Plans and specifications are available to download, at no cost, from the City of San Diego's Flatiron website at the following link: <https://www.sandiego.gov/portal/external/cfo/compag/0-17956.aspx> (registration required). The Bid Documents are also available, at no cost, from Flatiron in electronic format or can be viewed at our offices in San Diego or Chino Hills. Please call to request access or to make an appointment to view the documents at one of our offices.

This is an American Iron and Steel project. Quotations must be valid for same duration as specified by Owner for contract award. Assistance referrals in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Flatiron analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding. Flatiron intends to work cooperatively with all DBEs for scope of work items as licensed and qualified to perform.

The project is subject to a Project Labor Agreement (PLA), skilled and Trained Workforce Labor Requirements apply.

Subcontractors are required to possess and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and must insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request.

The City of San Diego has implemented an Owner-Controlled Insurance Program (OCIP) for the project. OCIP Credit Workbooks are due from subcontractors.

Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron"), or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserves the right to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%.

Non-DBE Sub/Suppliers: indicate lower tier DBE participation offered on your quotation as it will be evaluated with your price.

Work performed under this Contract shall comply with all applicable terms, conditions and reporting requirements specified in COR Contract, Standards and Special Provisions, including Buy America Requirements. Buy America requirements are applicable to all bid schedules of work including Hammer Avenue Bridge Replacement Project, City of Norco Waterline Replacement Project, and Hammer Avenue Widening Project (Added to Section 00-1.15 per Addendum 5). 100% bonding may be required for all subcontractors. OHL is signatory to Operating Engineers, Laborers, Cement Masons and Carpenters Unions, non-signatory subcontractors may be required to sign an agreement for trades covered under OHL's union agreements. Assistance available in obtaining bonds, lines of credit, insurance, necessary equipment, supplies, materials or related assistance or services and technical assistance. Flexible time frames for performance, delivery and breaking out portions of work into economically feasible packages to encourage participation may be discussed. Additional assistance is available through the City of Los Angeles Contractor Development and Bonding Program for more information visit www.LAConDev.com or call 213/258-3000. OHL USA, Inc. intends to conduct itself in "good faith" with all categories of disadvantaged, small, minority and women firms regarding participation on this project, therefore please send your certifications prior to quotes. Subcontractors are required to register with the Department of Industrial Relations (DIR), as required by Public Contract Code Section 1725.5, please furnish DIR Number with your quote submittal. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Include applicable DBE certifications issued and validated by pertinent agencies with your quote.

OHL USA, Inc. is an Affirmative Action - Equal Opportunity Employer
