CA Water Board DBE Participation Forms Required from Subs**

We are soliciting quotes for the following Divisions and Items of work: For Divisions 02 thru 11, 15, 16 and 17 including, but not limited to: AC Paving, Rebar, Striping, Electrical Instrumentation & Controls, Minor Concrete, Masonry, Welding, Misc. Metals, Aggregate Supply including: Sand, Class II Agg. Base, Rip Rap, Pea Gravel & Drain Rock, Ready Mix, Welded Steel Pipe, Structural Steel, Flashing/Downspout, Corrugated Metal Roofing, Membrane Roofing, Hollow Metal Doors/Frames & Hardware, Roll-up Doors, Aluminum Windows/Glazing, Louvers, Painting, Demolition, Equipment Supply: Blowers, Pipe Supports, Plumbing, HVAC, Survey, Quality Control Testing, Geotextile Materials, Underground Pipe Products, Hangers & Support for Plumbing, Aluminum Rolling Overhead Doors, Waterproofing/Damp Proofing, Site Photography, Pipe Insulation, Iron & Steel Pipe, FRP Fabrications, Misc. Construction Material.

Non-DBE Subs/Suppliers: You will be expected to carry a proportionate percentage of 2nd-tier participation with your quote. 2nd-tier participation will be evaluated with your price.

100% performance and payment bonds will be required for the full amount of the subcontract price. Please contact us for any assistance in this solicitation, including obtaining bonding, insurance, equipment, materials and/or supplies. Provide subcontractor/supplier scope/quotes as early as possible to enable estimators to perform a thorough evaluation of all quotes received. Quotes will be broken down into comparable packages as reasonably necessary to facilitate participation. Quotes must be valid for the same duration as specified by the Owner for Contract Award. We are signatory to Operating Engineers, Laborers, Ironworkers, Cement Masons, Carpenters & Pile Drivers Unions. Non-signatory subs will be required to sign an agreement for trades covered under our union agreements. We intend to work cooperatively with subcontractors/suppliers for all bid items you are licensed and qualified to perform. Bid items can be split to facilitate participation from all certified firms. We will reimburse for bond premium up to 2%. **Firms must possess & provide current contractor's license number & DIR Registration number on the quote.** This project is an Owner Controlled Insurance Program (OCIP) Project. Firms must possess insurance and workers compensation coverage meeting project requirements. Waiver of Subrogation is required. Please contact us for any assistance required by your firm. Subcontractors will be required to execute our standard subcontract agreement and agree to the standard general terms & conditions. Please contact us if you would like copies for review prior to bid day.

Project documents are available for **FREE** download from the Public Purchase web site at: <http://www.publicpurchase.com/gems/sacrecsd.ca/buyer/public/home>. Registration is required. Project documents may be viewed in our office, by appointment only, or downloaded for **FREE** form our Box ftp site. Please send an email request to NorCalBids@flatironcorp.com to view/access plans and specs for **FREE** on our BOX.com ftp site, or to setup an appointment to view and meet with an estimator in our office. Please fax all quotes to our BID FAX at 707-746-1603.

FLATIRON WEST INC.
2100 Goodyear Rd., Benicia, CA 94510
Phone (707) 742-6000 Fax (707) 746-1603
Quotes can be emailed to: NorCalBids@flatironcorp.com
An Equal Opportunity Employer
License No. 772589

REQUEST FOR CERTIFIED DBE SUBCONTRACTORS & SUPPLIERS:

**RAIL TO RAIL ACTIVE TRANSPORTATION CORRIDOR CONNECTOR PROJECT
(DESIGN-BUILD), IFB NO. C51209C1166
OWNER: LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION
AUTHORITY (METRO)
REVISED BID DATE: MAY 1, 2018 AT 2:00 PM
DBE Goal - 22% (Design) and 21% (Construction)**

This solicitation is in response to Metro's DBE requirements. Flatiron will provide an equal opportunity to DBEs and intends to conduct itself in good faith with DBE firms seeking subcontractor opportunities for the contract. Request for quotes from certified DBEs for the following, but not limited to, scopes of work for Design and Construction.

Design: Electrical Design, Hazardous Materials/Soil Remediation Compliance, Landscape Design, Public Outreach, Railroad Coordination, Roadway/Civil Design, Striping & Signage Design, Survey and Construction Staking Design, Traffic Control Design, Utilities Design and Coordination.

Construction; Aggregate Supply, Anti-Graffiti Coating, Asphalt Paving, Concrete Supply, Demolition, Electrical, Fencing, Geotextiles, Graffiti Removal, Hardscape, Hazardous Material Haul, Hydroseeding, Landscaping and Irrigation, Metal Gratings, Minor Concrete, Miscellaneous Metals, Noise Control, Painting, Plumbing, Quality Control, Railroad, Reinforcing Steel, Signage, Striping, Survey, Sweeping, Temporary Erosion Control, Tree Installation.

Quotes are required by 5:00 p.m. on May 1, 2018.

Access to Bidding Documents (plans and specifications) is available in electronic format from Flatiron. Additionally, Bidding Documents are available to view at our Chino Hills, CA or San Marcos, CA offices. Please send an email to request access to the Bidding Documents or to make an appointment to view the documents at one of our offices (between the hours of 7:30 a.m. and 4:00 p.m.).

Flatiron analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding. Quotations must be valid for same duration as specified by Owner for contract award (180 calendar days).

Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserve the right to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. Assistance in obtaining bonding, insurance and financing is available upon request. Flatiron will provide referral information to resources that may assist in providing bond, insurance or financing to DBE firms.

Non-DBE Subs/Suppliers: Indicate lower-tier DBE participation offered on your quotation as it will be evaluated with your price

REQUEST FOR CERTIFIED DBE SUBCONTRACTORS & SUPPLIERS:

**INTERSTATE 215 AT SCOTT ROAD INTERCHANGE IMPROVEMENTS
CONTRACT NO. B5-0689
LOCATION: MENIFEE, CA
OWNER: RIVERSIDE COUNTY TRANSPORTATION DEPARTMENT
BID DATE: APRIL 25, 2018 AT 2:00 PM
DBE Goal - 11%**

Request for Certified DBE Subcontractors & Suppliers. Quotes requested for, but not limited to: AC Dike, Aggregate Supply, Anti-Graffiti, Asphalt Paving, Bridge Demo, CIDH, Clear & Grub, Cold Plane AC, Concrete Barrier, Concrete Supply, Construction Area Signs, Electrical, Erosion Control, Fence, Formliners, Guardrail, Hydroseed, Joint Seal, Irrigation, Manhole, Metal Railing, Minor Concrete, Miscellaneous Iron and Steel, Noise Monitoring, Pipe Supply, Prestressing, Reinforcing Steel, Roadside Signs, Rock Slope Protection, Street Sweeping, Striping.

Plans and specifications are available, in the following options:

- Bidding documents are available for download, at no cost, through our procurement system, iSqFt. To receive access to the documents, please send an email request to SDBids@flatironcorp.com.
- Plans and specifications are also available from the Riverside County Transportation Department website at: <http://rctma.org/trans/Contractors-Corner/Notices-Inviting-Bids>.
- Documents are available for inspection at Flatiron offices in San Marcos, and Chino Hills, CA. Please call to make an appointment to view plans and specifications.

Quotations must be valid for same duration as specified by Owner for contract award. Assistance in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Flatiron West, Inc. ("Flatiron") analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding.

Subcontractors are required to possess and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request.

Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron") or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserve the right, pursuant to Public Contract Code Section 4108 and otherwise, to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. The surety on the bonds must be a California admitted surety.

Non-DBE Subs/Suppliers: Indicate 2nd tier DBE participation offered on your quotation as it will be evaluated with your price. We Are An Equal Opportunity Employer.

IN "GOOD FAITH" WITH DBE FIRMS REGARDING PARTICIPATION ON THIS PROJECT.**

DESILVA GATES Construction

11555 Dublin Blvd., P.O. Box 2909
Dublin, CA 94568-2909
(925) 829-9220 • Fax (925) 803-4263
Contractors License No. 704195A

DeSilva Gates Construction (DGC) is preparing a bid as a Prime Contractor for the project listed below:

**PROJECT: CALTRANS ROUTE 20 - CONSTRUCTION ON STATE HIGHWAY IN YUBA COUNTY IN AND NEAR MARYSVILLE FROM BUCHANAN STREET TO 0.1 MILE EAST OF LEEVEE ROAD, Contract No. 03-1G0104
Federal Aid Project No. ACNH-P020(183)E
Disadvantaged Business Enterprise Goal Assigned is 13%**

**OWNER: STATE OF CALIFORNIA - DEPARTMENT OF TRANSPORTATION
1727 30th Street, Bidder's Exchange, MS 26, Sacramento, CA 95816**

BID DATE: APRIL 25, 2018 @ 2:00 P.M. ESTIMATOR: JACK SHEWMAKER

DGC is soliciting quotations from certified Disadvantaged Business Enterprises for the following types of work and supplies/materials including but not limited to: AC DIKE, CONSTRUCTION AREA SIGNS, CRACK SEALING, ELECTRICAL, EMULSION SUPPLIER, LEAD COMPLIANCE PLAN, PAVEMENT MILLING, ROADSIDE SIGNS, STRIPING, SWPPP/WATER POLLUTOIN CONTROL PLAN PREPARATION, TRAFFIC CONTROL SYSTEMS, TRUCKING, WATER TRUCKS, STREET SWEEPING, CLASS 2 AGGREGATE BASE MATERIAL, HOT MIX ASPHALT (TYPE A) MATERIAL.

Plans and specifications may be reviewed at our offices located at 11555 Dublin Blvd, Dublin, CA or 7700 College Town Drive, Sacramento, CA, or at your local Builders Exchange, or reviewed and downloaded from the ftp site at: <ftp://ftp%25desilvagates.com/f7pa55wd@pub.desilvagates.com> (if prompted the user name is [ftp@desilvagates.com](ftp://ftp%25desilvagates.com) and password is [f7pa55wd](ftp://ftp%25desilvagates.com)) or from the Owner's site at: http://www.dot.ca.gov/hq/esc/oe/weekly_ads/all_adv_projects.php.

Fax your bid to 925-803-4263 to the attention of Estimator Jack Shewmaker. If you have questions for the Estimator, call at (925) 829-9220. When submitting any public works plans include your DUNS number and DIR number. For questions regarding registration for DIR use the link at: www.dir.ca.gov/PublicWorks/PublicWorks.html.

If you need DBE support services and assistance in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies or related assistance or services, for this project call the Estimator at 925-829-9220, or contact your local Small Business Development Center Network (<http://californiasbdc.org>) or contact the California Southwest Transportation Resource Center (www.transportation.gov/osdbu/SBTRCs). DGC is willing to breakout portions of work to increase the expectation of meeting the DBE goal.

At our discretion, 100% Payment and 100% Performance bonds may be required as a subcontract condition. This will be a PREVAILING WAGE JOB. DGC is an equal opportunity employer.

Services needed: Granite Construction Company (Granite) is requesting quotes from all qualified subcontractors and suppliers including certified DVBE firms for the following items of work, including but not limited to: **Asphalt concrete, message boards, traffic control, liquid AC, geosynthetics, concrete-ready mix, concrete-accessories, clear/grub, crack filling, fence/guardrail, grind-cole plane, grind-diamond, pavement marking rumble strip, signs-roadside, trucking-bellies, landscape & irrigation, erosion control, excavation, saw cut, biologist, quality control, earth moving equipment, job trailers, water truck rental**. Quotations will be broken down into comparable packages as reasonably necessary. Granite will work with interested subcontractors to identify opportunities to break down items into economically feasible packages.

For the following project:
**CONSTRUCTION ON HWY. 247
CALTRANS #08-1H8004**

BID DATE/TIME: MAY 3, 2018/2:00 PM.
Contact: John Nottberg - evan.garber@gcinc.com

Requirements: For any bid proposal submitted on or after March 1, 2015 and any contract for public work entered into on or after April 1, 2015, the following registration requirements apply: Every Subcontractor is required to be registered to perform public work pursuant to Section 1725.5 of the Public Contract Code ("Section 1725.5"). No Contractor or Subcontractor shall be qualified to bid on, be listed in a bid proposal pursuant to Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, unless currently registered to perform public work pursuant to Section 1725.5. No bid shall be accepted nor any subcontract entered into without proof of the Subcontractor's current registration to perform public work pursuant to Section 1725.5

Granite Construction Company (Granite) is signatory to Operating Engineers, Laborers, Teamsters, Cement Masons and Carpenters unions. 100% performance and payment bonds may be required for the full amount of subcontract price. Granite will pay for bond premium up to 1.5%. Subcontractors must possess a current contractor's license, insurance and worker's compensation coverage meeting Granite's requirements and will be required to sign the standard Granite Subcontract Agreement. A copy of the insurance requirements and agreement can be obtained by contacting the estimator. Please call if you need assistance in obtaining bonding, insurance, equipment, materials and/or supplies. Granite intends to work cooperatively with all qualified firms seeking work on this project.

Plans and specifications are available at your local Builders Exchange and/or on the Drop Box Link: <http://www.dot.ca.gov/des/oe/weekly-ads/all-adv-projects.php>.

Portions of work can be made available upon request prior to bid date. Please call if any assistance is needed.

100% bonding may be required for all subcontractors. Assistance available in obtaining bonds, lines of credit, insurance, necessary equipment, supplies, materials, services and technical. Additional assistance is available through the City of Los Angeles Contractor Development and Bonding Program; for more information visit www.LAConDev.com or call 213-258-3000. Flexible time frames for performance, delivery and breaking out portions of work into economically feasible packages is offered to encourage DBE participation. OHL USA, Inc. intends to conduct itself in "good faith" with all categories of disadvantaged, small, minority and women firms regarding participation in this project, therefore please send our applicable certifications issued and validated by pertinent agencies with your quotes. Subcontractors are required to be registered with the Department of Industrial Relations (DIR), as required by Public Contract Code Section 1725.5, please furnish DIR Number with your quote submittal.

Work performed under this Contract shall be in compliance with Federal requirements identified in the IFB, including but not limited to those required by the Department of Transportation (DOT), whether or not expressly set forth in the IFB/Contract Provisions; all contractual provisions required by DOT, as set forth in Federal Transportation Authority (FTA) Circular 4220 1F, dated November 1, 2008 (including any changes, revision or successor circulars) is automatically hereby incorporated by reference; "Buy America" requirements 49 U.S.C. 5323(j) and 49 CFR Part 661; Project Labor Agreement (PLA) between Metro and the Los Angeles/Orange County Building and Construction Trades Council and with the Metro Construction Careers Policy (CCP). Conditions or exceptions in Subcontractors quote are expressly rejected unless accepted in writing.

OHL USA, Inc. is an AAE/EOE

REQUEST FOR CERTIFIED DBE SUBCONTRACTORS & SUPPLIERS:

OC STREETCAR CONSTRUCTION PROJECT, (IFB 7-1904)

LOCATION: SANTA ANA AND GARDEN GROVE, CA

OWNER: ORANGE COUNTY TRANSPORTATION AUTHORITY (OCTA) -DBE Goal: 11%
BID DATE: APRIL 27, 2018 AT 11:00 AM

Quotes requested for, but not limited to, the following types of work: Request for quotes from Certified DBEs, Subcontractors and Suppliers for the following, but not limited to scopes of work: Aggregates, Aluminum Framed Storefront & Windows, Architectural Woodwork, Asphalt Paving, Automated Time Lapse Camera, Bollards, Bridge Cranes, Carpet, CCTV Subcontractor, Ceramic Tile, Cold Plane AC, Concrete, Concrete Channel Lining, Concrete Tiling, Construction Area Signs, Demolition, Detectable Warning Panels, Dewatering, Doors and Frames, Drainage Pipe, Drainage Structures, Electrical (excluding OCS), Elevator, Epoxy Grouting, Fencing and Gates, Fire Suppression System, Flooring Tile, Fourfold Train Doors, Glass Glazing, Gypsum Board, Hazardous Waste Removal and Disposal, HVAC, Insulated Metal Roof Panels, Joint Sealants, Landscaping and Irrigation, Lockers & Metal Cabinets, Louvers & Vents, Matching Equipment, Masonry, Material Lift, Membrane Roofing, Metal Railings, Metal Wall Panels, Minor Concrete, Misc. Metals, Misc. Metals-Drainage, Oil Handling Equipment, Overhead Doors, Painting and Coatings, PCC Supplies, Plumbing, Portable Electric Jacks, Precast Concrete, Precast Concrete Pavers, Prestressing, Quality Control Rail Car Sanding, Washing & Cleaning Equipment, Rail Car Truck Turntables, Railroad Signs, Reinforcing Steel, Roadside Signs, Rough Carpentry, Sanitary Sewer MH Structures, Sewer Line Supply, Sidewalk Pavers, Steel Decking, Striping, Structural Steel, Structural Steel (Furnish & Erect), Toilet Partitions & Accessories, Train Maintenance Pollution Control Equipment, Train Wash System, Underground Sub, Water Line Supply, Waterline Disinfection, Wheel Truing Lathe.

Plans and specifications are available for download, at no cost, from the Orange County Transportation Authority (CMM Net) on-line web site at <https://cammnet.octa.net/> (registration required). Additionally, plans and specifications are available at Flatiron's San Marcos, CA and Chino Hills, CA offices. Please call to make an appointment to view plans & specifications.

This project has an 11% DBE Goal. In addition to request for participation from Certified DBE subcontractors and suppliers, Flatiron requests non-DBE subcontracts to provide lower-tier DBE subcontractor and/or supplier participation. Bidders are required to indicate lower-tier DBE participation as it will be evaluated as part of their quote.

Flatiron analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding. Assistance in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Additionally, please contact us if you require technical assistance.

Quotations must be valid for same duration as specified by Owner for contract award (180 calendar days).

Subcontractors are required to possess and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request.

Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserve the right to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. The surety on the bonds must be a California admitted surety.

REQUEST FOR QUOTES FROM CERTIFIED DBE SUBCONTRACTORS & SUPPLIERS FOR:

**CALTRANS CONTRACT 03-2F5904
CURVE REALIGNMENT AND SHOULDER WIDENING IN YUBA AND NEVADA COUNTIES ON RTE. 20 NEAR SMARTVILLE, CA - DBE GOAL: 12%
REVISED BID DATE: APRIL 26, 2018 AT 2:00 PM**

Flatiron West Inc. requests DBE subcontractor and supplier participation for the following items of work, but not limited to: CAS/Roadway Signs, Clear & Grub, Erosion Control, Landscape and Irrigation, AC Paving, Cold Plane AC, CIDH, Rebar, Painting & Concrete Staining, AC Dike/Curbs, Underground Utilities, Fencing, Metal Railing, MBGR, Bridge Concrete Barrier, Striping, Electrical, Well Abandonment, Furnish/Erect Precast Girders, Trucking, Aggregates including: Class 2AB & Ready Mix, Concrete Pumping, Underground Pipe Products including: RCP, Misc. Metals, SWPPP Plan, SWPPP Materials, Lead Compliance Plan, Geotextile Materials, Bridge Bearings, Underground Precast, Street Sweeping, Traffic Control, Controlled Blasting & Vibration Monitoring.

Non-DBE Subs/Suppliers: You will be expected to carry a proportionate percentage of 2nd-tier participation with your quote. 2nd-tier participation will be evaluated with your price.

100% performance and payment bonds will be required for the full amount of the subcontract price. Please contact Flatiron for any assistance to this solicitation, including obtaining bonding, insurance, equipment, materials and/or supplies. Provide subcontractor/supplier scope/quotes as early as possible to enable estimators to perform a thorough evaluation of all quotes received. Quotes will be broken down into comparable packages as reasonably necessary to facilitate participation. Quotes must be valid for the same duration as specified by the Owner for Contract Award. We are signatory to Operating Engineers, Laborers, Ironworkers, Cement Masons, Carpenters & Pile Drivers Unions. Non-signatory subs will be required to sign an agreement for trades covered under our union agreements. Flatiron intend to work cooperatively with subcontractors and suppliers for all bid items you are licensed and qualified to perform. Bid items can be split to facilitate participation from all certified firms. Flatiron will reimburse for bond premium up to 2%. **Firms must possess & provide current contractor's license number & DIR Registration number on the quote.** Firms must possess insurance and workers compensation coverage meeting project requirements. Waiver of Subrogation is required. Please contact Flatiron for any assistance required by your firm. Subcontractor/Suppliers will be required to execute our standard subcontract agreement and agree to the standard general terms & conditions. Copies are available for review on our Box.com ftp site upon email request.

To view and download project docs for FREE from the Caltrans web site, please use the following link and then enter Contract Number: 03-2F5904 in the "Jump to Project" field to locate the project: http://www.dot.ca.gov/des/oe/wkly_ads/all-adv-projects.php.

Project documents may also be viewed in our office by appointment only, or downloaded for FREE from our Box ftp site. Please send an email request to NorCalBids@flatironcorp.com to view/access plans and specs for FREE on our BOX.com ftp site, or to set-up an appointment to view and meet with an estimator in our office.

Please send all quotes by email to: NorCalBids@flatironcorp.com or to our BID FAX at 707-746-1603.

For additional project information or to discuss obtaining necessary equipment, supplies, and/or materials, please contact Mark Zhang, mzhang@shimmick.com (310) 648-1640.

Items of work may be broken down into economically feasible packages to encourage participation. Shimmick Construction intends to conduct itself in good faith with all firms for participation on this project.

Contract documents are available at: A printed copy of the Contract Documents may be obtained from Rancho Reprographics, located at 27715 Jefferson Avenue, Suite 111, Temecula, CA 92590, (951) 676-5300, please contact them for price & availability. AECOM E&C has also made plans and specifications available for free through our SmartBidNet, link: <https://secure.smartbidnet.com/External/PublicPlanRoom.aspx?id=365187> if you require assistance with access to plans/specs or contract requirements please contact Mark Zhang, mzhang@shimmick.com or call (310) 648-1640.

CONTRACTOR REGISTRATION REQUIREMENTS: Labor Code Section 1771.1 (a) A contractor or subcontractor shall not be qualified to bid on, be listed in an bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

Bids submitted will confirm the acceptance of the terms and conditions of a Standard Long Form Subcontract, available upon request. Subcontractor's providing a proposed bid/price will be viewed as acceptance of the Standard Long Form Subcontract. 100% Performance and Payment bonds are required. AECOM may pay bond premium up to 1.0%. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements. All proposers are bound to the prime contract terms and conditions, including payment provisions. Insurance coverage is required as set by the Prime Contract or AECOM - whichever is greatest. Minimum insurance requirements: GL \$1M per/Occ/\$2M-Agg/\$2M-Completed Operations; Excess Liability \$5M; Auto Liability \$1M; Workers Comp & Employer Liability \$1M. Listing of a Subcontractor is not to be construed as an acceptance of all of the conditions or exceptions included in price quote. For assistance with bonding, insurance or lines of credit contact Trina Clay at tclay@shimmick.com or 949-333-1500.

AECOM E&C is An Equal Opportunity Employer

DESILVA GATES
Construction

11555 Dublin Blvd., P.O. Box 2909
Dublin, CA 94568-2909
(925) 829-9220 • Fax (925) 803-4263
Contractors License No. 704195A

DeSilva Gates Construction (DGC) is preparing a bid as a Prime Contractor
for the project listed below:

2017/2018 STREET REHABILITATION AND PREVENTIVE MAINTENANCE PROJECT
PHASE 1, PROJECT NO. EPW 17-104

OWNER: CITY OF EMERYVILLE - 1333 Park Avenue, Emeryville, CA 94608

BID DATE: MAY 1, 2018 @ 10:00 A.M. ESTIMATOR: JIM YACKLEY

DGC is soliciting quotations from certified Disadvantaged Business Enterprises for the following types of work and supplies/materials including but not limited to: **ADJUST IRON, BRIDGE DECK RESURFACING, CLEARING AND GRUBBING/DEMOLITION, CRACK SEALING, EMULSION SUPPLIER, ROADWAY EXCAVATION, SAWCUTTING, STRIPING, SWPPP/WATER POLLUTION CONTROL PLAN PREPARATION, TRUCKING, WATER TRUCKS, STREET SWEEPING, HOT MIX ASPHALT (TYPE A) MATERIAL, ASPHALT OIL SUPPLIER.**

Plans and specifications may be reviewed at our offices located at 11555 Dublin Blvd, Dublin, CA or 7700 College Town Drive, Sacramento, CA, or at your local Builders Exchange, or reviewed and downloaded from the ftp site at: <ftp://ftp.25desilvagates.com/f7pa55wd@pub.desilvagates.com> (if prompted the user name is ftp@desilvagates.com and password is f7pa55wd) or from the Owner's site at: <http://www.emeryville.org>.

Fax your bid to 925-803-4263 to the attention of Estimator [Jim Yackley](mailto:Jim.Yackley@desilvagates.com). If you have questions for the Estimator, call at (925) 829-9220. When submitting any public works bid please include your DUNS number and DIR number. For questions regarding registration for DIR use the link at: www.dir.ca.gov/Public-Works/PublicWorks.html.

If you need DBE support services and assistance in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies or related assistance or services, for this project call the Estimator at 925-829-9220, or contact your local Small Business Development Center Network (<http://californiasbdc.org>) or contact the California Southwest Transportation Resource Center (www.transportation.gov/osdbu/SBTRCs). DGC is willing to breakout portions of work to increase the expectation of meeting the DBE goal.

At our discretion, 100% Payment and 100% Performance bonds may be required as a subcontract condition. This will be a PREVAILING WAGE JOB. DGC is an equal opportunity employer.

equal opportunity employer

Services needed: Granite Construction Company (Granite) is requesting quotes from all qualified
subcontractors and suppliers including certified DBE firms for the following items of work, including
but not limited to: Concrete-ready mix, liquid AC, aggregates, traffic control, curb & flatwork,
pavement marking, saw cut, grind-cold plane, manholes/wells, SWPPP, tack, fog, prime, traffic
control, trucking-bellies, biologist, water truck rental, owner operators. Quotations will be broken
down into comparable packages as reasonably necessary. Granite will work with interested
subcontractors to identify opportunities to break down items into economically feasible packages.

For the following project:

STREET PAVEMENT REHABILITATION
CITY PROJECT #2018-0701
CITY OF WESTMORLAND

BID DATE/TIME: MAY 3, 2018/4:00 P.M.

Contact: Fausto Gonzalez - Fausto.Gonzalez@gcinc.com

Requirements: For any bid proposal submitted on or after March 1, 2015 and any contract for
public work entered into on or after April 1, 2015, the following registration requirements apply:
Every Subcontractor is required to be registered to perform public work pursuant to Section
1725.5 of the Public Contract Code ("Section 1725.5"). No Contractor or Subcontractor shall be
qualified to bid on, be listed in a bid proposal pursuant to Section 4104 of the Public Contract
Code, or engage in the performance of any contract for public work, unless currently registered
to perform public work pursuant to Section 1725.5. No bid shall be accepted nor any subcontract
entered into without proof of the Subcontractor's current registration to perform public work
pursuant to Section 1725.5

Granite Construction Company (Granite) is signatory to Operating Engineers, Laborers, Teamsters,
Cement Masons and Carpenters unions. 100% performance and payment bonds may be required
for the full amount of subcontract price. Granite will pay for bond premium up to 1.5%.
Subcontractors must possess a current contractor's license, insurance and worker's compensation
coverage meeting Granite's requirements and will be required to sign the standard Granite
Subcontract Agreement. A copy of the insurance requirements and agreement can be obtained by
contacting the estimator. Please call if you need assistance in obtaining bonding, insurance,
equipment, materials and/or supplies. Granite intends to work cooperatively with all qualified
firms seeking work on this project.

Plans and specifications are available at your local Builders Exchange and/or on the Drop Box Link:
<http://www.secure.smartbidnet.com/External/PublicPlanRoom.aspx?Id=369669>. They are also available for
viewing at our office located at 2095 Hwy. 111, El Centro, CA.

Portions of work can be made available upon request prior to bid date. Please call if any assistance
is needed.
